Don Porter, left, of Norwich, and Jim Reid, right, of Waterford, members of the Thames River Detachment, Marine Corps League, remove a faded, two-year-old U.S. Marines flag flying at the home of Kimberly Richardson of Preston on Sunday and replace it with a new one. Richardson's son, Kyle R. Richardson, is a Marine corporal serving his country in Iraq. Helping with the patriotic task is Robert Whitlock, center, Kyle's grandfather.
